"PIONEERS OF 1890"

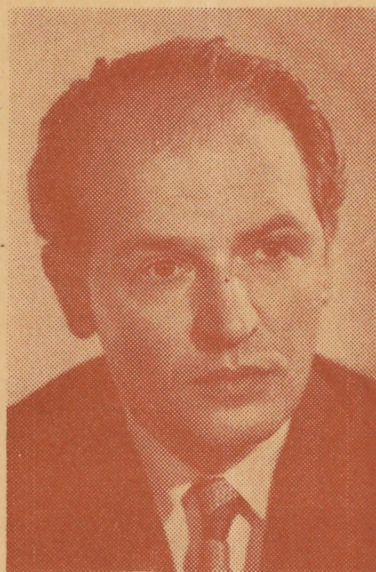

1951

31st Annual Round-up

THURSDAY, NOVEMBER 15th, 1951

**CRYSTAL ROOM, PALLISER HOTEL - CALGARY
6:15 P.M.**

JOHN FISHER

"Mr. Canada" himself.

**"THEY CAME WITH ONLY FAITH IN GOD,
AS ACROSS THESE VIRGIN LANDS THEY TROD"**

The mountains never change their place,
The rivers still roll on.
Man comes, but only stops awhile,
Then is forever gone.

The sun rises each morning,
It sets behind the hill.
The wind blows from every angle —
The world is never still.

The symbols of honesty,
Endeavour and of thrift,
Must be just as lasting
As those of nature's gift.

The deeds of men are many,
But many go unknown,
The life of every nation,
Comes from the seeds first sown.

Let us proclaim the Pioneers,
Not as our kith and kin,
But as a race of people,
Who could not fail to win.

It is not of their successes,
Or the fortunes that they made.
The character they built in people,
Was the important part they played.

Instilling a spirit into a nation,
In a land that was wild and new,
Building—Creating—
A Country, by a few.

We raise a Cairn here and there,
We celebrate each year.
Now let us write the History
Of the Prairie Pioneer.

Let us gather all the Records,
That those who follow may,
Look back upon this land of ours,
When the Pioneers held sway.
